Please join your fellow Leeds Engineers to celebrate 151 years of the Association. You could even book a company table for 8-10 guests and make it a real evening out. This year we have reduced the formality with less speeches and more time to catch up with friends and past acquaintances. With good food, first class staff, along with good company what more do you need to have a great evening.

*(7-00 for 7-30pm Dress code black tie or lounge suit)*
