To the Committee,

Thank you for inviting me to your annual dinner. It means a lot! My fundraising is going really well. I appreciate all of you for your kind donation on the night which made a total of £200.00 towards the 25th World Scout Jamboree in South Korea, which I have been lucky enough to be invited to. Since the dinner, our unit have decided on the logo we will be using to represent ourselves and West Yorkshire. We are called T'Flat Cappers and our logo is a sheep wearing a flat cap sat on a cloud made up of our unit number(45), the Union Jack, the flag of South Korea and the flag of West Yorkshire.

Again, grateful thanks and much appreciation for your kind donation towards my World Scout Jamboree fundraising.

Kind regards,

George Scholes

Thank You

West Yorkshire Scouts
