

Keighley Association of Engineers (2022 syllabus)

Visit to :	Queen Street Textile Museum, Burnley
Date:	Tuesday 19 th July 2022
Start time:	1 pm Lunch for 2 pm Tour
Location:	see below

Dear members and guests,

The Keighley Association of Engineers is pleased to announce our **July** event in our 2022 syllabus, a visit to Queen Street Textile Museum, Burnley

Queen Street Mill is the last surviving 19th century steam powered weaving mill in the world. Come along to this Grade 1 listed building and relive the days when cotton was king. This a tour is dedicated to our Association with a textile demonstration included.

The Museum has offered to open their café for lunch so it would be good if you could use this facility. You pay for your own food, but we are paying for your entrance fee.

Please let John McCluskey know you are coming to assist with planning (this is open to guests) at jjmcccluskey@btopenworld.com 07585 126503

You can see much more about the Museum on their website@
