Christmas Social Evening

Dear all members, old and new.

On Monday the 12th December we will be having our monthly council meeting, but this month instead of having it at our usual office-based location, we are going to have the meeting in the Brown Cow pub located at the bottom of West Lane in Keighley.

We would like to openly invite all members to come along after our council meeting for a social evening and a light buffet and to spread a bit of festive cheer.

Hopefully this will give new members who may not have had the chance to come along to one of our events, an opportunity to meet other members and to get to know your council members.

We still have spaces on the council, so if any members wish to come along to the council meeting prior to the social evening you are welcome to do so.

Many times, at events we do not get much chance to talk to each other and find out about our members engineering backgrounds, so this will give myself and the council more time to get to know our members.

Our council meeting will start at 6.45pm and we invite members to come along from 7.30pm onwards for the social evening.

Please can you reply to kaoe2022@gmail.com if you plan to come along so we can plan numbers for catering.

We hope to see many of our members supporting this social event.

Yours Sincerely,

John Richardson

President – Keighley Association Of Engineers
