

FOUNDED 1900

Keighley Association of Engineers (2022 syllabus)

Visit to : **Fives Landis Ltd.**
Date: Thursday 1st December 2022
Start time: 2 pm
Location: Skipton Road, Cross Hills, Keighley, BD20 7SD

Dear members,

The Keighley Association of Engineers is pleased to announce our **December** event in our 2022 syllabus, a return visit to **Five Landis Ltd.** It is 10 years since we last visited this Company which is still at the top of many engineers “companies to visit list”. This is our first day time visit to this important local company.

This is a full factory tour carried out by key personnel who will be able to answer many of your questions. Find out what the future looks like for the company. There is a maximum number for this visit. You will need industrial footwear and eyewear – if you need help with this please let John McCluskey know when you book.

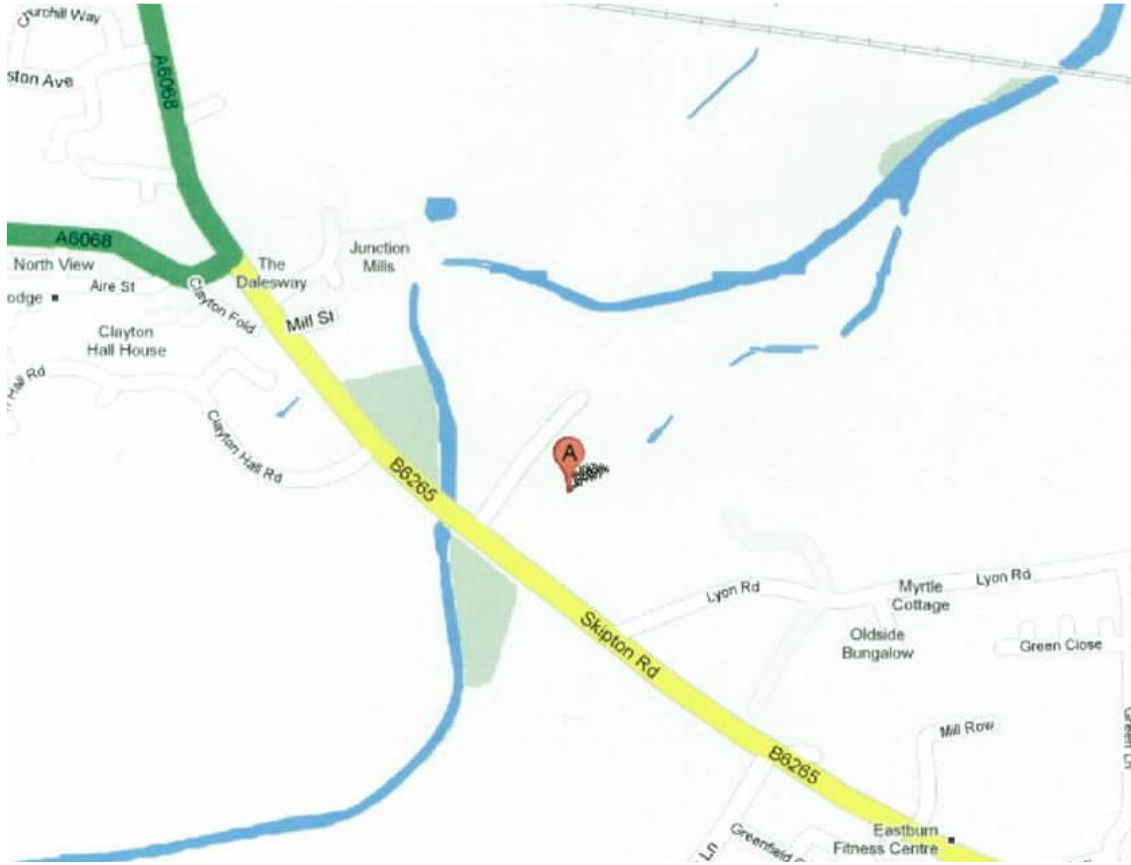

You need to book by letting John McCluskey know you are coming – only those booking in this way will be admitted – first come first served at jjmclluskey@btopenworld.com 07585 126503

You can see much more about Fives Landis Ltd on their website through the Grinding pages at www.fivesgroup.com

Address: Skipton Road, Cross Hills, Keighley, BD20 7SD see location map on page 2 – please report to the company reception on arrival – parking arrangements to follow or marshalled on the day.

Tel: 01535 633211
