

Keighley Association of Engineers (2024 syllabus)

Visit to : **CarnaudMetalbox Engineering . Shipley**
Date: Tuesday 15th October 2024
Start time: 6.30 pm prompt
Location: Dockfield Road, Shipley, BD17 7AY, (7AR for SATNAV)

Dear Members,

The Keighley Association of Engineers is pleased to announce our **October** event in our 2024 syllabus, a visit to **CarnaudMetalbox Engineering - Shipley**

CarnaudMetalbox Engineering (CMB Engineering) design, develop and manufacture high-performance metal forming and finishing machinery for the production of beverage, food and aerosol cans. This visit will include a tour of the newly updated manufacturing facilities at their Shipley Plant. This is an opportunity to see state-of-the-art manufacturing and one not to missed.

You will need to wear high vis clothing, ear protection, industrial footwear and eyewear – if you need help with this, please let me know what you need when you book so that CMB can provide this (Please give your size if appropriate).

Please book places by letting me know you are attending. The company needs all names before the date.

Contact John Pankhurst @ email : kaoe2022@gmail.com Tel/text 07582 822922

You can see much more about CarnaudMetalbox Engineering on their website at <https://carnaudmetalboxengineering.co.uk>

Address: Dockfield Road, Shipley, BD17 7AY, (7AR for sat nav)
