**Dear members and guests,**

Keighley Association of Engineers is pleased to announce its February 2025 event, a talk by James Barlow on "Replacing Bridge 27 Haworth K.W.V,R."

He will go into the placement of the new bridge which was the culmination of more than a decade's work and completed in late 2024.

He reports that "To deliver this scale of work with volunteers, supported by industry specialists, is a credit to the KWVR and its voluntary workforce, as well as the designers, contractors and other suppliers who worked alongside us,"

This is an opportunity to get all the lowdown on this complex civil engineering project and one not to miss.

Guests are most welcome to attend. [Please book your places with your Secretary John Pankhurst](#). Tea/coffee will be available on your arrival,
